

The path

A full roadmap, not just a course

Language, then skills, then career — three labs on one path. You never have to leave and find the next school.

Three labs. One path.

Language, then skills, then career — three labs on one path. You never have to leave and find the next school.

The three labs, and what joins them

1

Language Lab: German from A1 to C2

2

Skill Lab: the practical skills next to the language

3

Growth Lab: Bewerbung, interviews, the job

4

One account, one timetable, one path

Language, then skills, then career

Month 1

Month 2

Place. Plan. Practise. Prove.

01

Place

A free ten-minute diagnostic and a short call. A teacher, not just an algorithm, confirms where you start.

→ 02

Plan

You choose your teacher, your cohort and your add-ons, and get a timetable that fits your week.

→ 03

Practise

Live sessions, then Aria, the voice trainer and vocabulary practice on the days between.

→ 04

Prove

Mock exams, a visible dashboard, and a certificate for every month you complete.

From A1 to the job.

German from A1 to C2, the practical skills next to the language, then Bewerbung, interviews, the job.
